4th May 2007

FOR IMMEDIATE RELEASE

Alongside the theme for the 16th Candlelight Memorial 'Leading The Way To A World Without AIDS', Loof and Action for AIDS will be organizing a light-hearted pre-party at Loof on the 19th May 2007 from 7pm to 10pm.

'A World Without AIDS' party at Loof is a fundraising cum awareness event targeted at the community at large to raise awareness of HIV/AIDS, especially among young adults who may not necessarily be in the high-risk group but preventing them maturing into one. The more solemn Candlelight Memorial will be held at SMU Conference Hall, Level 2, 60 Stamford Road, Singapore 178900 on the 20th May 2007 at 7.00pm.

Confirmed guests include MTV VJ Colby Miller & other local celebrities. One of the agenda of this fundraising event is the demonstration of how Anonymous HIV Testing is being conducted at the Action for AIDS Test Site through a skit. This reflects our approach to the theme of the party **'Leading the Way to a World Without AIDS'** through HIV testing and knowing one's sero-status. This party also serves as a poignant reminder that much more needs to be done to fight discrimination, stigmatisation and ignorance of HIV/AIDS and its related issues.

Tickets for this event are sold on-site at the door for SGD\$20, inclusive of a drink and proceeds will go into supporting the Action for AIDS Medical Subsidy Fund for HIV+ patients who cannot afford the expensive HAART (Highly Active Antiretroviral Therapy Treatment). In 2006 alone, Action for AIDS Singapore paid out SGD\$81,100 to needy patients with HIV to access HAART, leading to the betterment of people with HIV/AIDS in Singapore.

Play your part for the community and society at large, join us for a drink and light a candle on the Loof come 19th May 2007, 9pm. Under the stars comes a ray of hope leading all of us to a world free of HIV/AIDS.
