

Send our 12for3 umbrellas to all the ladies you know!

All the Ladies!

Action for AIDS (AfA) is organizing a series of activities to raise funds to cater to the welfare, prevention and education of women and girls in our community.

Women are biologically twice more likely than men to get infected by HIV through unprotected sex, yet do not test for HIV/AIDS as often as men. AfA would like to increase our program outreach to involve women, and support more affected women and their families. We need all support from women we can find.

Volunteers interested to find out more to contact May at may.yong@afa.org.sg or 96345096

\$12 to support 3 Causes

Every \$12 donation will support three causes for women in AfA. The umbrella is help for someone affected by AIDS, someone vulnerable to HIV and someone unable to access anti-retroviral treatment

For Knowledge- Towards health education, as education is one of our key defences against the spread of AIDS. Biologically women are twice more likely to be infected through unprotected sexual intercourse, \$4 will fund a women's outreach education program, paying for posters to advertise our program, and training hand-outs for the talks we give.

For Prevention- Like any illness, early detection and treatment can help. AfA recently started a Women's Friendly Testing Day (every last Tuesday of the month) to encourage women to come forward to test. \$4 will encourage early access to treatment by funding first-time consultations and medication to newly diagnosed patients.

For a Better Life- Towards families affected by AIDS- women and children coping with the loss of a sole breadwinner's income, expensive medical bills, household and school expenses to get on with the everyday- \$4 can supplement the daily household expenses of a working mother.

The 12for3 Campaign – and what you can do for it

1. **Donate any amount** towards the campaign (details upcoming soon on www.afa.org.sg/alltheladies)
2. **Donate a minimum of \$12 and** get a 12for3 umbrella from our 12for3 volunteers
3. **Get an umbrella each for 3 other women** in your life to spread the awareness

Take part in a flash mob to show your support with your 12for3 umbrella (look out for details on our [12for3 facebook page](#)) or **support our fundraising movie event** at Fort Canning on 30th Oct (student prices at \$10, event details upcoming soon on www.afa.org.sg/alltheladies)

Are you a 12for3 volunteer?

We'd like to appeal to interested individuals or student groups to help us sell our umbrellas in your school or workplace. Interested volunteers to contact Yati at **93880984**
