A fundraising gala event proudly brought to you by Action for AIDS

Action for AIDS is a non-governmental community based charity. We provide support and assistance to infected persons and their families, run education programmes, and conduct research. The HIV infection rate in Singapore is amongst the lowest of any major metropolitan area. This has been the result of collaborative efforts and partnership with government, private individuals and businesses. We need to raise funds to continue our work and to scale up our programmes.

LOVE Reply Form

I would like to donate the following Services/Materials - _____

I would like to reserve the following - \$8000 table, \$5000 table, \$3000 table
